ASSUMPTION OF RISK: I am a certified scuba diver. I understand diving has the inherent risk of serious personal injury or death. I understand that diving in caverns and cave environments is dangerous. I will be exposed to greater risks which may cause me serious personal injury or death. I am fully aware of the risks of participating in scuba diving, cavern diving and/or cave diving and the associated activities (hereafter called "dive activities" or "activities"). ***In consideration of being allowed to participate in dive activities offered by the NSS-CDS, I understand and have carefully evaluated the risk and want to participate despite the risk. By signing this document I hereby agree to expressly and contractually assume all risks associated with all dive activities.*** Risk of injury or death may be caused by factors including, but not limited to, lifting and carrying heavy equipment, strenuous activities, dropped or falling objects, collapsing cave structure, forceful currents, becoming disoriented and lost, equipment failures, line traps, line breaks, loss or running out of a breathing gas, quick changes in depth, nitrogen narcosis, incorrect breathing mixtures, and the errors, acts or omissions of myself or others including those affiliated with the NSS-CDS. I understand that the nature and types of possible injuries to me include (but are not limited to) death, barotraumas, decompression sickness, gas embolism, convulsions, unconsciousness, hypothermia, heat stress, back or neck injuries, strained or broken limbs, heart attack, cardiac arrest, stroke, near-drowning and drowning. This list is by no means all inclusive. I understand that I am responsible for my own safety and well being during all diving activities. I understand that it is my responsibility to be physically, medically and mentally fit to participate in diving activities. Should I become ill, injured or uncomfortable in any way, I will immediately advise my instructor and take action to correct my condition and abort the dive. I understand that dive activities are conducted in remote sites (in time and distance) from medical care including a recompression chamber and I accept these risks and still choose to participate. I agree that I should have personal dive accident insurance and represent that I either have it or choose to participate without it. By signing this agreement, I hereby agree, on behalf of myself and my heirs, to assume all risks associated with diving activities, including the risk of serious personal injury and death, whether foreseen or unforeseen.
